Who would have ever thought we would still be here 9-10 months down the line? I sincerely hope that you and your loved ones have managed to stay safe and well over these months and that you have coped with the massive change to life as we know it. Despite being so careful, and not going anywhere other than work and essential shopping, my husband and I were both rather unwell and tested positive for Covid in October. I could barely get out of bed for just over 2 weeks, David for about 20 days. So, it has really hit home just how highly infectious it is, and we count ourselves fortunate that we are recovering, albeit rather slowly on my part, as so many others haven't been so fortunate.</p> <p><b>ZOOM MEETING</b></p> <p>In the last newsletter I had asked those who would be interested in participating in a zoom meeting late October to contact me by email. I only had a few responses, 3 actually. I realise that it isn't perhaps ideal however, for the foreseeable it is the best we have. So, if anyone is interested in even sharing a coffee, or something stronger, and having a chat early January do please email me on <a href="mailto:wscotlandia@googlemail.com">wscotlandia@googlemail.com</a> for a link to join.</p> <p><b>VIRTUAL CHRISTMAS NIGHT OUT</b></p> <p>East of Scotland IA are having a Virtual Christmas Night Out on Friday 11 December 2020 at 7.30 pm. The evening will feature bring your own christmas cocktail, christmas jumpers and some online bingo with prizes.</p> <p>If anyone is interested in attending, they should email <a href="mailto:eastofscotland@iasupport.org">eastofscotland@iasupport.org</a> for the link to the event. All welcome!</p>
